

2017 Kansas City, Kansas Burn Permit Process

Residents in Kansas City, Kansas are allowed to apply for a burn permit for the time period of the month of April 2017 and the time period of October 16, 2017 through November 15, 2017 at any of the Fire Stations currently staffed by the Kansas City, Kansas Fire Department. Kansas City, Kansas residents are limited to one 3-day burn permit per burn period that allows for the combustion of one 10 foot by 10 foot or smaller pile of naturally occurring residential organic yard waste generated onsite. If you operate a business out of your home you are classified as a business and cannot participate. Applications must be received and approved at least 24 hours prior to the commencement of burning. Open burning with a permit is allowed between the hours of 7:00 a.m. to 6:00 p.m.

The resident doing the burning must be at the burning site at all times. Residents shall maintain a copy of the burn permit on site, an adequate water supply and/or fire extinguisher while conducting open burning. In no circumstance shall open burning occur within 15 feet of any building or within 15 feet from any one's property line. Piling of brush, tree limbs, grass and other organic materials are limited in size to 100 square feet at the base.

Each Burn Permit allows for one organic pile per permit, one permit per residential property. (yard waste generated such as tree limbs, leaves, weeds, brush and grass) All organic materials burned within the city limits of Kansas City, Kansas are limited to organic materials and/or burning without a permit shall be subject to Section I-7 (General Penalty, Continuing Violations) of the general provisions code of the Unified Government of Wyandotte County/KCK.

At no time shall wire insulation, tires, rubber products, plastic, automobile products, paper, cardboard, construction chemicals, household chemicals or any other material that normally emits dense smoke, noxious odors or hazardous air pollutants be burned.

At any time, the Fire Chief or his designee may revoke burn permits or ban open burning. Weather conditions (high winds, low humidity) may make open burning too dangerous. Open burning may also be suspended when air pollution "Red Alert" days are declared by the Mid America Regional Council, MARC, and the Unified Government.
